The 98221 Artist's Studio Tour is your opportunity to experience artistry and artist's in their studio environments, ask questions about the tools and materials they use, and learn about what inspires each artist to create.

While on the tour you will meet painters, sculptures, fiber artists, photographers, jewelry, metal-smiths, print makers, glass and ceramic artisans. There is a wide variety of stimulating and fascinating work that will surely appeal to all who take this tour.

We are so fortunate to live in an area where the beauty of the nature that surrounds us and the warmth and friendliness of the people who live here fosters so much creativity. It's reflected in the artistry and craftsmanship you will see on this tour.
