Welcome to the
2026 98221 Artist's
Studio Tour. This
self-guided tour will
lead you to some
of the most creative
spots in the 98221 zip
code. Our hope is that
you will enjoy your time visiting with the artists
and galleries in our wonderful town.

The 98221 Artist's Studio Tour is your
opportunity to experience artistry and artist's in
their studio environments, ask questions about
the tools and materials they use, and learn
about what inspires each artist to create.

While on the tour you will meet painters,
sculptors, fiber artists, photographers, jewelry,
metal-smiths, print makers, glass and ceramic
artisans. There is a wide variety of stimulating
and fascinating work that will surely appeal to
all who take this tour.

We are so fortunate to live in an area where the
beauty of the nature that surrounds us and the
warmth and friendliness of the people who live
here fosters so much creativity. It's reflected in
the artistry and craftsmanship you will see on
this tour. This exciting event is your opportunity
to meet, converse with and observe local artists
- those well-known and respected throughout
the state and nation - alongside several talented
and emerging artists.
